

MAKE BIG LOVE HAPPEN

Asking better questions drives better results. Spend some time on Valentine's Day to honestly answer these questions and recommit to building the relationship of your dreams this year.

What do you want in your relationship? Create a detailed image of your dream relationship with intense clarity and focus.

What do you have to do? Identify the steps you need to take to create your dream relationship.

What could get in the way? What is most likely to derail your progress? What has kept you from reaching your goals in the past?

How do you hold yourself accountable? Set a date to hold yourself accountable, perhaps on Valentine's Day or your anniversary. Without measuring your success on a regular basis, you won't make progress towards your goals.
